Warnings:

For animal use only. Keep out of the reach of other animals and children. In case of accidental overdose, contact a health professional immediately. If animal's condition worsens or does not improve, stop product administration and consult your veterinarian.

For use in cats only. Recommended to reduce dander and shedding.

OPTIMA 365™ veterinary formula is enriched with vitamins, minerals, and essential Omega 3 and 6 fatty acids to improve the skin and coat condition and reduce excessive shedding.

Directions for use: Shake well before using.

Mix one tablespoon of OPTIMA 365™ at feeding once per day. Results may vary, but are typically apparent within 2 to 4 weeks with daily administration. To work effectively, OPTIMA 365™ needs to be given daily, even during shedding season. If OPTIMA 365™ is discontinued, shedding may resume. OPTIMA 365™ for cats has a caloric value of 76 Kcal per tablespoon (15 g).
